

# Venture Capital Investment Intern (m/f) Global Founders Capital

Finance | Berlin

## Description

We are looking for people with a strong track record and great ambition to intern in our early stage venture capital team in Berlin. GFC is a \$1BN+ globally oriented, stage agnostic fund that empowers gifted entrepreneurs.

Managed from 8 offices worldwide we are a fund 'by entrepreneurs for entrepreneurs' with a history of success backing billion-dollar companies such as Facebook, Revolut, Slack, Eventbrite, Away, Canva, LinkedIn and many more.

GFC is now looking for a venture investment intern to support our Berlin team.

## Amongst many exciting challenges, you will:

- Advance your career with lots of responsibility in a fast-paced working environment.
- Gain incredible insights into the global start-up ecosystem and VC deal flow.
- Develop and implement new ideas (processes, knowledge centers, etc).
- Experience significant personal and professional growth.
- Work in a flat hierarchy closely with our partners and investment managers.

## Some of your responsibilities:

- Screening & searching for new investment targets
- Performing industry/landscape/technology evaluations
- Conducting market sizing and competitor research
- Building financial models and stress testing unit economics
- Executing due diligences (expert calls, KPC analysis, etc.)
- Participating in founder calls & meetings

## Requirements

- Outstanding academic track record from a leading institution.
- Strong track record of practical experience at Tier1 employers (Consulting, M&A, PE, BigTech) or in the venture ecosystem (responsible position in startup or VC fund).
- Excellent analytical and communication skills and a clear hands-on mentality.
- Knowledge & passion for emerging technologies as well as an innate business model understanding.
- You feature an unparalleled willingness to drive new topics whatever it takes.
