

# WORKING STUDENT / INTERN

---

innoWerft is currently looking for a committed working student or intern who enjoys working in a team and has creative ideas and drive.

As part of an internship or working student position, we offer an attractive opportunity to work with dynamic founders, consultants and investors from the startup scene.

## These will be your tasks:

- 🚩 Accompanying startups on their way to market maturity
- 🚩 Collaboration in the startup teams
- 🚩 Support in the planning, implementation and follow-up of events
- 🚩 Cooperation in the day-to-day business of a startup centre
- 🚩 Support in the development of new acceleration formats
- 🚩 Support in cooperation with founders and partners

## You're offering these qualifications:

- 🚩 Motivation to play an active role in building up the German startup culture
- 🚩 Enthusiasm, team and organisational skills
- 🚩 Reliable and flexible way of working - both together and independently
- 🚩 Good handling of MS Office programs (Word, Excel, PowerPoint)
- 🚩 Good command of spoken and written English

## We're offering these benefits:

- 🚩 A challenging and varied job in an interesting environment
- 🚩 An open, ambitious and dynamic team with flat hierarchies

🚧 Active participation in the development of a startup

### About us:

innoWerft is the dockyard to build B2B startups in the Rhine Neckar Valley based in Walldorf. We give startups optimal access financial resources, external funds, potential costumers and industry experts. As a strong partner, we accompany and advise startups from the idea to the market entry to scaling and growth on their way to becoming a successful company. innoWerft is a joint initiative of SAP SE, the city of Walldorf and the FZI Research Center for Computer Science Karlsruhe.

### Application:

Please send your application, stating your salary expectations and earliest possible starting date, preferably by e-mail to [sina.schneider@innowerft.com](mailto:sina.schneider@innowerft.com). Your contact person is Sina Schneider.
